### BY YESTERDAY EVENING'S MAILS. University of Virginia.

Correspondence of the Alexandria Gazette. UNIVERSITY VA., June 30 .- The Board of Visitors adjourned to-day, after a laborious cal Geography and Agricultural Science, and for the payment of the interest on the bonds of elected Lieut. MAURY Professor, and also the Corporation, and of the Orange and Alexan-Dr. Harrison's resignation has caused much regret, he having filled the chair for thirty one years, with great ability, and attained the reputation of the first linguist in the United States. On yesterday he was presented by the Students with a massive silver service as a small memento of their esteem and appreciation of his invaluable instruction. He prices. In Baltimore, money is quoted in good accepted it, in a forcible and affecting speech, and there were many of the large and brilliant audience, whose eyes tilled with tears as he bade farewell to the Students, Professors, and the University. He has suffered much, and labored long and arduously for its prosperty, and to him much is due for the high position it to-day occupies as a seat of learning, and the influence it has exerted to exalt the standard of education in Virginia and the South. He retires, crowned with doubt, he will meet with the success his distinguished abilities merit.

The Board changed the close of the session for the future from the 29th of June to the 4th of July. I intended to notice Mr. Hilhard's address, which was instructive and eloquent, but I have not time now.

CHARLES CITY COUNTY, VA. - A gentleman of this county, belonging to the old bachelor fraternity, wrote an order to Richmond a few days ago, for a scythe cradle. Now you can judge of his surprise when he received instead a beautiful red painted buby cradle! his feelings can hardly be imagined when tonished number of ladies and gentlemen. -They all rushed forward, of course, to get a peep at the pretty painted baby receptacle, which was in fact a considerable show, nothing of the kind having ever been seen before, I believe, on one of our public wharves. He persisted in saying it was not his, and he would not receive it, but 'twas no go.

Last night a negro boy was confined in our jail, for having attempted to administer as a medicine, corrosive sublimate to one of his young masters. He put it in a glass of 'toddy, but put too much, and the young man detected something wrong as soon as he commenced drinking it, and immediately sent for a doctor, who detected the poison. When the trial comes off I will give you the result of it. - Pertersburg Express.

THE WARREN GREEN HOTEL.-This elegant, commodious and well known Public House, is advertised for sale, in our columns, under the control of Messrs, Jno. P. Philips and Rice W. Payne, two of our most influential and successful lawyers. The property is to be put up for public sale, on the 15th day of next August. That it will be well sold, we cannot permit ourselves for a moment to doubt, especially when all in this community know that the "Warren Green Hotel" is by far the most beautiful, commodious and elegant publie edifice to be found in any inland town in the State of Virginia, and such is positively the fact, so far as our experience goes .- War renton Whia.

REAL ESTATE SALE. - The sale of lots be longing to the estate of Thomas Hill, dec'd. took place on Monday last. The land lies on both sides of the Railroad track, from the Depot to Mountain Run Bridge, and was four acres, and brought prices, which, a fev years since, would have been considered fabulous. Think of a field now planted it corn, and not first rate, at that, bringing \$250 per acre; while that lying away down on the run some eighth or a quarter of a mile outside of the corporation limits brought \$75 to PLASTER, Lump, retail, delivered \$85 per acre, and all on the hill side .-

JUDGE MARSHALL'S PORTRAIT.-It gives SALT, Fine ..... us very great pleasure to state that the Justices of the county, on Monday, unanimously determined to receive the portrait of Judge Marshall, which was painted by that promising and faithful young artist, Mr. W. D. ising and faithful young artist, Mr. W. D. WHITE BEASS 125 (& 0.00 Washington. The unanimity with which BLACK-EVED PEAS. 1 00 (& 1.25 the picture was accepted by the Magistrates, reflects great credit upon them, both for taste and patriotism. The price paid was only \$500. Warrenton Whig.

GRAVE CHARGE. - Dr. G. Gavinzel, of this city, was arrested, Wednesday night, by James Boswell, a resident of Union Hill, whom he was attending professionally. It is proper to say that the accused denies that the charge would probably be withdrawn. -Richmond Whig.

Coleman, Esq., of Hanover, dria and Manassas Gap Railroad Companies, due Professor of Latin, in Dr. Harrison's place. in New York, on yesterday, were transmitted to that city in advance, as usual. The promptness with which our Corporation and our Railroad Companies met their liabilities, shows them to be in a very healthy financial condition, and render their stock desirable investments. Stocks are firm, but sales limited, and we have no change to note in demand, without change in rates. The Banks there are very circumspect in their discounts. A very large amount of money in semi-annual interest was paid out yesterday, and will be paid out until after the 20th, in all the Atlantic cities, on Railroad bonds, and on Bank, Insurance, and various other stocks. At New York, about \$4,000,-000 will be disbursed on, and after the 1st, for Go-

vernment and State interest, (for different States, Virginia, Tennessee, Missouri, North Carolina, honor, to a new field of labor, in which, no Blinois, California, Ac.,) much of which will be seeking re investment speedily. The last New York Bank statement shows quite a large loss of deposits and specie, with a moderate contraction of loans, and this movement it appears probable will continue. With our present enormous imports and diminished exports, specie shipments must continue and our bank managers must contime to contract, to place themselves in a safe position and check the dangerous extravagance of the orders for foreign goods. > DR. HINES AROUND AGAIN.-It will be recollected that a few years since an individual passing by the above sobriquet figured largely in the newspapers as a multifarious swindler, forger, and bigamist. Subsequently he has long ruminated between four staunch walls. A few weeks ago he turned Va., as a Mr. Mason, the son of a wealthy Alabama planter, who emigrated years ago from Fairfax county, Va. In the course of his sojourn in Alexandria, cutting a very extensive swell, indeed, he victimized sundry unsuspicious gentlemen of the burg and its vicinity, to the tune of an aggregate of a

few hundreds, it is believed.

The recent appearance of officer Aquilla Allen, of this city, on his track, however, caused him to vamose that ranche, a few days ago, leaving his victims thunderstruck with the dashing style of his audacious swindling operations. Before departing, he was scrupulously careful to pay off his Alex-Riggs & Co., in this city-one for \$400, one for \$200, one for \$100, one for \$50, &c; on all which it is fair to presume he received eash for fractions of hundreds, &c., above the claims aforesaid; which said checks, on presentation, turned out to be utterly worthless, of course. He certainly went from there to New York city. - Wash, Star.
